Dear Ronnie:

As your summer assignment with FBIS comes to an end, I want to express appreciation for the valuable contribution you have made. It is thanks to your fine work that office files were maintained, indexed, archived in an organized manner and that Research Staff was able to maintain continuity during periods of personnel shortages.

You have been a great asset to Research Staff, and I wish you the best of luck in the coming school year. We hope that you will return over the holidays and again next summer.

Sincerely,

STAT
